

COMMERCIAL PROPOSAL

EstateOS Deployment for Newsite Estate

Prepared by **Gazie Commute Technologies Ltd**

1. Setup & Customization Fee

₦1,200,000 (One-time payment)

Includes:

- Platform deployment and configuration
- Estate-specific customization
- Apartment mapping and resident onboarding
- Service charge payment integration
- Resident ledger and payment history portal
- Expense and vendor management setup
- Automated payment reconciliation setup
- Staff training and onboarding

2. Transaction Fee

2% of all successful collections processed through the platform.

Applicable to service charges, levies, special projects, fines, penalties, and any other payments collected through the platform.

3. Annual Renewal & Support

₦400,000 per annum.

Covers hosting, maintenance, technical support, security updates, data backups, performance monitoring, and minor feature enhancements.

4. Payment Gateway Charges

Third-party payment gateway charges are separate from the platform transaction fee and will be borne by either the payer or the estate according to the estate's preferred payment policy.

5. Payment Milestones

- 80% of setup fee payable upon project commencement.
- 20% of setup fee payable upon deployment and handover.
- Transaction fees billed monthly.
- Annual support renewal due at the beginning of each renewal cycle.
